Hello, and Welcome

About Company

Brother's Ramen is a Filipino-owned ramen brand based in Valenzuela City, dedicated to bringing authentic Japanese ramen flavors to local convenience stores and restaurants.

We offer premium ramen products and side dishes like Karaage and Gyoza, crafted with quality and consistency. Our production area is currently under development to meet growing demand and future partnerships.

CEO Profile

Melbert Pereda

Founder & CEO — Brother's Ramen

A passionate Filipino entrepreneur dedicated to bringing authentic Japanese ramen flavors to local stores and restaurants. His goal is to make premium ramen products accessible and proudly made in the Philippines.

Vision

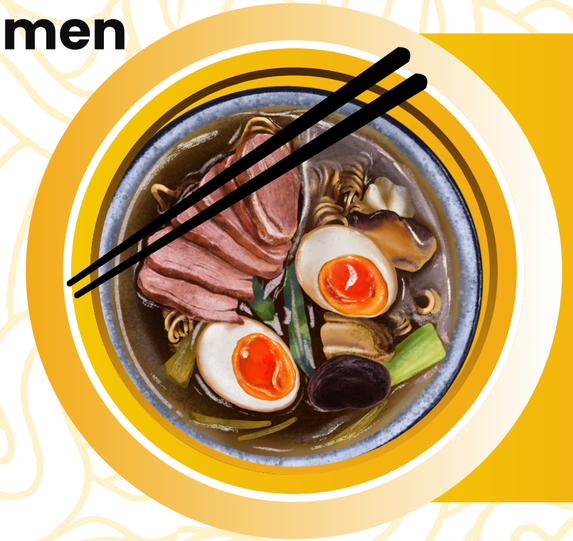
To become the leading Japanese ramen supplier in the Philippines, recognized for authenticity, innovation, and commitment to quality — making Brother's Ramen a trusted name in every store and community.

Mission

To bring authentic Japanese ramen flavors closer to every Filipino by providing high-quality, affordable, and convenient ramen products — crafted with passion, tradition, and local pride.

Goal

To expand Brother's Ramen's reach by supplying premium-quality ramen products to local convenience stores, restaurants, and food chains — making authentic Japanese ramen easily available to every Filipino.



Core Values / Philosophy

Authenticity • Quality • Partnership • Innovation

We believe that great food connects people — and every bowl of ramen we make should reflect passion, craftsmanship, and trust.

Why Choose Brother’s Ramen as Your Business Partner

01 Authentic Japanese Quality, Locally Made

We deliver the taste of authentic Japanese ramen using locally sourced ingredients — ensuring both premium quality and affordability.

02 Reliable Supply & Customization

We provide consistent product quality with flexible options for private labeling and product customization to match your store’s needs.

Innovation and Flavor Variety 03

Our product line offers diverse flavors — Spicy, Milky, Curry, and Classic — with ongoing development to keep customers excited and coming back.

Committed to Long-Term Partnerships 04

We value strong, lasting relationships built on trust, consistency, and shared growth. Your success is our priority.

Key Activities

- Product development and testing
- Ramen and side dish production
- Supply and distribution to partner stores
- Branding and marketing promotions
- Partnership and business expansion

Increasing the Accuracy and Reliability of Financial Analysis

2023 -
Concept Development

The idea of Brother's Ramen was born — a vision to bring authentic Japanese ramen flavors to local Filipino communities.

2024 –
Product Research & Recipe Testing

Conducted multiple ramen and side-dish trials (Tonkotsu, Spicy, Milky, Curry, Karaage, Gyoza) to ensure premium taste and consistency.

2025 –
Business Formation & Branding

Officially registered Brother's Ramen under DTI, developed brand identity, and started product presentation to potential partners like Lawson.

2025 –
Production Area Development (Ongoing)

Establishing our small-scale ramen production facility in Valenzuela City to meet supply demands and quality standards.

2026 –
Expansion & Partnerships (Target)

Begin supplying ramen products to convenience stores, food stalls, and local franchises nationwide.
